

**NORTHERN KENTUCKY SIXTH ANNUAL
TRAUMATIC BRAIN INJURY CONFERENCE**
AMERICAN PRIDE: TBI RESILIENCE & RESTORATION

November 1, 2011

Dear Colleague:

You are invited to be an integral part of the Sixth Annual Northern Kentucky Traumatic Brain Injury Conference: “*American Pride: TBI Resilience & Restoration*”. This conference will be held on **Friday, March 23, 2012** from 7:30 AM to 4:30 PM at the Receptions Conference Center in Erlanger, KY. National, regional and local experts will present a variety of topics for brain injury survivors, their families and professionals. This conference will also introduce brain injury education and support to our military brain injured survivors, families and veteran professionals. We anticipate that 250-350 persons will attend.

This conference presents a unique opportunity for you to introduce and represent your support and service to local community decision makers and all those in attendance of the conference. We want to extend this opportunity to our Corporate Community Leaders this coming year to enhance the experience of our attendees and partner with leaders that share our goals. ALL proceeds from the conference will go to **BRIDGES, Inc.** This program will benefit countless numbers of individuals that have suffered from brain injury and educate those who work effectively with these survivors. **BRIDGES** is a unique non-profit 501(c)(3) organization that serves communities in Ohio, Indiana and Kentucky.

Your sponsorship/monetary donation will help defray the cost of conference meals, rental space and educational materials. Your generosity will also help fund scholarships for TBI survivors/caregivers, particularly for military/veterans, to attend the conference. All sponsors will be well represented through signage and advertisement with promotion of the conference. You will also have your organization’s logo visible on BRIDGES’ website for one year. Please consider making a donation to enhance the success of this fantastic opportunity in your community. Proceeds after covering conference expenses will benefit **BRIDGES, Inc.** For additional information, please contact Jessica Embry at (502) 494-2868 or by email: jessica.embry@TheMentorNetwork.com or Lisa Combs at (859) 906-9300 or by email: lisa.combs@bridgesnky.org

Thank you and we hope to count on your support for the 2012 Sixth Annual Northern Kentucky Traumatic Brain Injury Conference.

Respectfully,

Northern Kentucky TBI Conference Planning Committee
